Students must on their own read up the topics to be covered during the ensuing week so as to make the class room sessions more interactive. This along with 100% attendance is integral to the continuous internal assessment, which will be carried out. Internal assessment, in part or full may be carried out at the discretion of the faculty with little or no notice.

Students must be present for scheduled sessions before the arrival of faculty. Attendance to classes and other academic and extracurricular events will be marked at the beginning of the session. Students arriving after the faculty will be marked absent though may be allowed to attend the particular session at the discretion of the faculty.

Students may note that late arrival for a session will result in their being marked as absent for any continuous evaluation planned by the faculty for that session even though they have been permitted to sit in.

ACQUIRING ADDITIONAL/SPECIAL QUALIFICATIONS:

The MBA(HHM) Programme is designed to develop you into an effective health care system manager with special abilities, namely-knowledge of the practice of management along with a thorough understanding of the intricacies of the health care sector and the functioning of each of the health care verticals of major stake holders such as Insurance, Pharma, Clinical Research, NGOs, Hospitals, IT ,Medical Equipment and Manufacturing industry etc. Students are imparted knowledge in all these areas as part of the basic, foundation syllabus.
