The journey of Symbiosis Institute Of Health Sciences (SIHS) commenced on 10th November 2006, when it became a proud member of the prestigious and acclaimed Symbiosis International University (SIU).

A pioneer in the field of health education, SIHS has conceptualized and developed the innovative programme of MBA in Hospital & Healthcare Management (MBA-HHM), that equips future healthcare and hospital managers to meet the goals of the growing healthcare sector.

SIHS is associated with several major healthcare organizations across the country & overseas. Through dedicated efforts and perseverance, SIHS aims to provide adept healthcare professionals to the healthcare sector.

Vasudhaiva Kutumbakam - The world is one family
Vision
Promoting international understanding through quality education.
Mission

• To inculcate spirit of ‘vasudhaiva kutumbakam’ (world is one family).
• To contribute towards knowledge generation and dissemination.
• To promote ethical and value based learning.
• To foster the spirit of national development.
• To inculcate cross cultural sensitization.
• To develop global competencies amongst students.
• To nurture creativity and encourage entrepreneurship.
• To enhance employability and contribute to human resource development.
• To promote health and wellness amongst the students, staff and community.
• To instil sensitivity amongst the youth towards community and environment.
• To produce thought provoking leaders for the society.
DEAN’S MESSAGE

To endure and flourish in today’s dynamic business environment, it is imperative for young professionals to persistently update their knowledge and awareness and to acquire new skills and competencies. At Symbiosis Institute of Health Sciences, we recognize this and nurture the participants through the journey with focused content, lectures and faculty interactions. That is why our approach to learning embraces meticulously planned internships in various verticals of healthcare, training on various facets and guest lectures by the industry honchos for viewing the industry through the lens of basic business disciplines.

• Participation of students in workshops like “Implementation of NABH Standards” and “HR Analytics”.
Symbiosis University Hospital & Research Centre (SUHRC)

Symbiosis University Hospital & Research Centre (SUHRC) is currently a 300 bedded hospital (scalable to 700 beds), located within the SIU campus at Lavale, Pune.

Besides, all the mother specialties, viz. Medicine, Surgery, Obstetrics & Gynecology, the SUHRC also has sub-specialty departments of Pediatrics with Neonatology (including an NICU), Orthopedics, ENT, Ophthalmology, Gastro-enterology, Urology, Nephrology with dialysis beds, Pulmonology (chest medicine), Critical Care Medicine, Neurology & Neurosurgery, Cardiology (with a Cath lab), a full-fledged Pathology lab and a Blood bank. There are 16 ICU beds with 6 High Dependency Unit (HDU) beds. SUHRC has 5 large Operation Theatres, that cater to all the surgical disciplines, including one exclusively for Obstetrics & Gynecology. All theatres are ‘modular’ with 2 way data transfer facilities.

The SUHRC provides top quality clinical services, which are protocol driven and evidence based. The nomenclature of a ‘University Hospital and Research Centre’ conveys the thrust on academics and research, which is both interdisciplinary as well as translational. ETHICS with transparency of operations is accorded topmost priority. Consultants are encouraged to join as full timers; eminent Doctors from Pune are also empaneled as Visiting Consultants. Accommodation (limited) is provided on campus for Medical & Nursing staff.
