ABOUT US

The journey of Symbiosis Institute of Health Sciences (SIHS) commenced on 10th November 2006, when it became a proud member of the prestigious and acclaimed Symbiosis International (Deemed) University (SIU).

A pioneer in the field of health education, SIHS has conceptualized and developed the innovative programme of MBA in Hospital & Healthcare Management (MBA-HHM), that equips future healthcare and hospital managers to meet the goals of the growing healthcare sector.

SIHS is associated with several major healthcare organizations across the country & overseas. Through dedicated efforts and perseverance, SIHS aims to provide experienced healthcare professionals to the healthcare sector.

*Vasudhaiva Kutumbakam - The world is one family*
VISION

Promoting International understanding through quality education.
MISSION

• To inculcate spirit of ‘vasudhaiva kutumbakam’ (world is one family).
• To contribute towards knowledge generation and dissemination.
• To promote ethical and value based learning.
• To foster the spirit of national development.
• To inculcate cross cultural sensitization.
• To develop global competencies amongst students.
• To nurture creativity and encourage entrepreneurship.
• To enhance employability and contribute to human resource development.
• To promote health and wellness amongst the students, staff and community.
• To instil sensitivity amongst the youth towards community and environment.
• To produce thought provoking leaders for the society.
To endure and flourish in today’s dynamic business environment, it is imperative for young professionals to persistently update their knowledge and awareness to acquire new skills and competencies. At Symbiosis Institute of Health Sciences, we recognize this and nurture the participants through the journey with focused content, lectures and faculty interactions. That is why our approach to learning embraces meticulously planned internships in various verticals of healthcare, training on various facets and guest lectures by the industry honchos for viewing the industry through the lens of basic business disciplines.

I welcome you to explore the talent and diversified skills of our MBA(HHM) students well groomed for the Healthcare industry.

Dr. Rajiv Yeravdekar
DEAN, Faculty of Health Sciences (FOHS)
SIHS believes in excellence and quality healthcare education, which in turn leads to students sustained career growth. We endeavour to create healthcare professionals with the perspective of a global citizenship and holistic learning, encouraging students in leadership roles. Our focus is on experiential learning which strengthens their employability skills and competencies. I truly believe that the young healthcare professionals emerging from the SIHS ecosystem will empower your organization towards further growth.
