## **MESSAGE FROM DIRECTOR**

Welcome to the Symbiosis International University (SIU), Symbiosis Institute of Health Sciences (SIHS) and to the programme in B.Sc. (Medical Technology).

I take this opportunity on behalf of all of us at SIHS to welcome you to the threshold of an exciting, rewarding and satisfying learning experience.

SIHS brings together people from various specialties of the medical, health and allied professions and related sectors. This mix of professionals, which enables you to know your fellow students – both seniors and peers- and use them as a learning resource is an important part of the training methodology followed. At SIHS, we are committed to ensure that we maintain an institutional culture which fosters equality and celebrates diversity. In this endeavor our students have been our partners. Their active participation in enriching the learning experience is encouraged. We now look to you for similar participation.

I am sure that you will find your studies at SIHS professionally enhancing, personally stimulating and academically rewarding. It will provide you an opportunity for self-initiated independent study. Hands on training in the healthcare industry and practical will form a major component of your learning experience. Symbiosis has established a Center for Health Skills where students are trained in technical aspects before they are exposed to real time scenario in hospital set up. We shall provide the appropriate academic support and resources to help you in achieving success in academia as well as in life itself.

This Hand Book is designed to enable students to gain maximum benefits of the academic and practical training programmes designed for you which are necessary for the development of effective young technologists of the growing health care sector. The purpose of this Handbook is to provide you with basic information about the Institute, the facilities available and guidelines on various issues which will be of importance during your learning experience with us.

We hope that you have an enjoyable and rewarding time full of learning here.

With Best Wishes,

Dr. Rajiv Yeravdekar  
Dean, Faculty of Health and Biomedical Sciences, SIU  
Director, Symbiosis Institute of Health Sciences

**Institute Profile:**

The Symbiosis Institute of Health Sciences (SIHS) is a constituent of the prestigious Symbiosis International University (SIU). SIHS has conceptualized & implemented a group of professional up-gradation programmes meant to equip the healthcare professional with the appropriate tools in order to survive this age of fierce competition and specialization. SIHS encourages a symbiosis of thought, word & action of all such professionals who would address the all-important issues of health in its totality. Through its unique, innovative, career oriented programmes, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

***Vision***

Promoting international understanding through quality education

***Mission***

- to inculcate spirit of 'Vasudhaiva Kutumbakam' (the world is one family)
- to contribute towards knowledge generation and dissemination
- to promote ethical and value-based learning
- to foster the spirit of national development
- to inculcate cross cultural sensitization
- to develop global competencies amongst students
- to nurture creativity and encourage entrepreneurship
- to enhance employability and contribute to human resource development
- to promote health and wellness amongst students, staff and community
- to instill sensitivity amongst the youth towards the community and environment
- to produce thought provoking leaders for the society

***ACHIEVEMENTS:***

Symbiosis Institute of Health Sciences has gained many laurels during the past years. To quote a few:

- SIHS is beneficiary of the various MOUs signed between SIU & national and international academic institutions like Public Health Foundation of India (PHFI), Georgia State

University (GSU), USA; Chest Research Foundation, Pune; Serum Institute of India, National Aids Research Institute, Pune; Centre for Rheumatic Diseases, Galaxy CARE Laparoscopy Institute, Pune, to promulgate cooperation between the institutes to promote educational research intercultural competence and understanding. The partnership provides opportunities for research through collaborative research projects, conducting conferences, PhD student's deputation, continued guidance to students and faculty, and student visits to their campus for learning and conducting projects.

- The Post Graduate Diploma in Emergency Medical Services (PGDEMS) programme is recognized by the Los Angeles Paramedic Training Institute, USA.
- Recently PGDEMS programme of Symbiosis Institute of Health Sciences (SIHS) is recognized by Saudi Commission of Health Specialties. Many of our alumni are placed overseas.
- The American Heart Association (AHA), USA has conferred upon the institute, the coveted title of an International Training Center (ITC). It is also a recognized “Chapter” of the International Trauma Life Support (ITLS) Organization, USA. This is recognized by the American College of Emergency Physicians (ACEP), USA. Recently SIHS is recognized as approved site for conducting - Advanced Trauma Life Support® (ATLS®) - India Program Course of American College of Surgeons.
- Maharashtra Medical Council (MMC) has accredited SIHS to conduct CME programs/ workshops/ seminars etc. By virtue of this coveted status, faculty and delegates participating in workshops organized by SIHS will be honored by credits hours from MMC.
- Maharashtra Emergency Medical Services (MEMS) is a project of the Government of Maharashtra- Department of Health, State Health Society under National Rural Health Mission (NRHM). This project will be operational in Public Private Partnership (PPP) with Bharat Vikas Group (BVG) India Ltd., Symbiosis Institute of Health Sciences (SIHS) and United Kingdom Specialist Ambulance Services (UKSAS). Its aim is to provide free emergency medical service to entire population in the state of Maharashtra. In the entire MEMS project SIHS will be academically associated exclusively for training. On 28th June, 2013 Symbiosis Institute of Health Sciences (SIHS) and BVG India signed MOU of academic association and project was officially launched on 01st March, 2014.

- SIHS is also member of Healthcare Sector Skill Council (HSSC) constituted by National Skill Development Corporation and is affiliated with HSSC as a recognized training institute.
- Recently SIHS has signed MoU with International Health & Safety Training Centre (IHSTC), Dubai, UAE for conduction ITLS: Advanced Trauma Courses at IHSTC, Dubai, UAE.

### **Symbiosis Centre for Health Skills (SCHS)**

SCHS was established the broad objective to align with the National Agenda of Skill Development to create robust and vibrant eco system for quality education and skill development in the healthcare sector in the country. This simulation based training is centre an integral part of education and training centre in Medical Technology and helps students to acquire the technical competencies.

### **The Future of SIHS:**

Health care and its management is one of the fastest growing sectors both in India and globally. The future of SIHS is closely linked to the future of the health care sector in India. We therefore share the vision of burgeoning growth in the near future. Similarly, the need for world class academic institutions is growing to keep pace with the demands of the expanding economies of the country. With its pioneering approach to meeting society's demands, The Symbiosis International University has shifted to a new 350-acre campus at Lavale on the outskirts of Pune City.

SIHS is in the process of developing a Centre for Health Skill Development, Health Sciences & Technology Park (HSTP), Multi-specialty Tertiary Care Hospital, National Paramedic Training Institute, a School for Traditional, Alternative and Complementary Therapy, a Centre for Sports Sciences, a Clinical Research Organization (CRO) etc. all contributing to a complete new world of healthcare.

### **ACADEMICS**

B.Sc. Medical Technology programme has a synergistic blend of academic knowledge and practical intricacies in the field to train potential technologists to undertake a wide range of

technological aspects of medical care with a good scientific foundation. These students will be in a position to competently assist the medical specialists, especially in high-tech medical procedures to cater to the health care industry globally.

B.Sc. Medical Technology, a three years full time degree programme, conducted by the SIHS, is a practically oriented programme for Budding Technologists under the aegis of the Symbiosis International University (Established under section 3 of the UGC Act, 1956, by notification no. F.9-12/2002 – 4.3 of the Government of India). Students are therefore required to follow all SIU guidelines and rules as laid down/amended from time to time.

The B.Sc. Medical Technology programme is designed by experts in the respective fields, keeping in mind the current need & awareness of such innovative courses. It is an optimum mixture of theoretical & practical components.

The theory is conducted at SIHS campus and in special instances at various hospitals. For practical *hands on* training, the foundation training is conducted at Symbiosis Centre for Health Skills (SCHS) and then the students are deputed to various tertiary care hospitals such as Poona Hospital & Research Centre, Deenanath Mangeshkar Hospital, Star Imaging, Oyster & Pearl Hospital, Jehangir Apollo Hospital, MMF's Joshi & Ratna Hospital, Anandpur Charitable Trust's Diagnostic Centre, Shashwat Group of Hospitals (Sanjeevan Hospital, Krishna Hospital, Shashwat Hospital), Kokilaben Dhirubhai Ambani Hospital, Mumbai, Noble Hospital, Janakalyan Blood Bank, Metropolis Laboratories (I) Pvt. Ltd. etc.

The B.Sc. Medical Technology Programme has two semesters in an academic year. The academic calendar for this year is given in this handbook. Weekly schedules are put up on the notice board. A student must attend all classes, labs, co-curricular and extracurricular activity, ongoing and periodic assessments and examinations. Students are advised to study the topics to be covered in the next week according to the weekly schedule so as to make the class room sessions more interactive. This along with 100% attendance is integral to the continuous internal assessment, which will be carried out. Internal assessment, in part or full, may be carried out at the discretion of the faculty with little or no notice.

Students must be present for scheduled sessions before arrival of faculty. Attendance to classes and other academic and extra-curricular events will be marked at the beginning of the session. Students arriving after the faculty, will be marked absent though may be allowed to attend the particular session at the discretion of the faculty.

Students may note that late arrival for a session will result in their being marked as absent for any continuous evaluation planned by the faculty for that session even though they have been permitted to sit in.

**TIME TABLE:**

Weekly time-table of theory, practical, co-curricular & extra-curricular sessions will be displayed at the notice board on every weekend. In addition to this, students will be informed via email. Students are requested to update themselves on regular basis.

**LEARNING RESOURCE CENTRES**

- a. Library
- b. Symbiosis Centre of Health Skills (SCHS)
- c. Computer Lab
- d. Anatomy museum
- e. Hospital Practices Lab

**LIBRARY:**

SIHS has a splendid learning resource center with over 4343 books, 10-Journals, 10 Magazines (Print Only), CD & DVD-1057. periodicals and reports. Services included are; Reading Services, Online database Services, Reference Services, Home Lending Services, Photocopy Services, WI-Fi facility, WEB-OPAC, Emerald, EBSCO, J-STORE and SCOPUS databases are available.

**Symbiosis Centre of Health Skills (SCHS):**

Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training & assessment for all health care professionals in clinical and related management skills.

**COMPUTER LABORATORY:** The Computer Laboratory with Lease Line Connectivity of internet & intranet is available. 24 x 7 Wi-Fi connectivity to the student in the SIHS building is also available.

**ANATOMY MUSEUM:** An anatomy museum with display of models, charts, skeleton, bone set & manikins is available for practical training.

**HOSPITAL PRACTICES LAB:** A simulation of hospital ward with nursing facility & manikins is provided for students to practice bedside clinical skills.

**GUIDELINES FOR PRACTICAL ATTACHMENT:**

The students will be required to undergo practical training through attachments to various health care establishments during the program. These establishments are our 'knowledge partners' actively involved in your training.

The students will be representing Symbiosis Institute of Health Sciences at all these institutions and it is necessary that they project a positive image of the institution and do nothing that will bring themselves or the SIHS under disrepute.

The following guidelines will be strictly adhered to in letter and spirit. Students will be assigned a hospital / diagnostic center by the institute.

1. Be punctual and adhere to the schedule laid down by SIHS as well as the knowledge partners and the assigned authority from the hospital / diagnostic center.
2. In case of planned leave, you shall be required to submit a prior written application to the program head.
3. You are required to be in uniform / Formals with apron at place of work while on attachment.
4. You are required to take permission from appropriate authority before photocopying any material for the purpose of your training.
5. Photography, videography of equipment, procedures, patients or colleagues at place of work is not permitted unless specifically allowed by the guide and management.
6. You will conduct yourself in a correct manner at all times and will not shout, use abusive language or quarrel at place of work.
7. You will not leave the assigned task and place during scheduled hours without permission of the assigned authority from hospital / diagnostic center.
8. You will not threaten, harass, or coerce any employee at the place of work.
9. You shall be meticulous in completing assigned work in a timely manner and in accordance with guidelines and instructions imparted by the assigned authority from hospital / diagnostic center.
10. You shall not involve yourself with any customer or patient or client of the organization in a manner which is objectionable to the public or to the organizational and business interest of the knowledge partners.
11. You shall maintain the hospital practical training log in the LOG BOOK provided to you. It shall be completed regularly & duly signed by the assigned authority from hospital / diagnostic center.

You will remember at all times that at the end of attachment, the assigned authority from hospital / diagnostic center will be submitting a comprehensive assessment report which is part of internal assessment.

#### **EVALUATION PATTERN:**

The evaluation of the student will be on the basis of “Cumulative Grade Point Average (CGPA)” System & will have both internal and external components. The internal component will be continuous throughout the year and external component will be conducted by the University at the end of the year. A student would be required to pass each head, theory and practical (internal & external) separately. Student would be awarded Grade Point Average where grades would be based on class average.

#### **INTERNAL EVALUATION PARAMETERS**

**Guidelines for internal Assessment:**

- 1. Assignments:** Minimum 2 Assignments shall be given and average will be considered.
- 2. Tests:** Minimum 1 test shall be conducted. In case of multiple examinations, average of all the tests will be considered.
- 3. Presentation / Orals:** Minimum 1 presentation or Oral shall be conducted. In case of multiple presentations, average of all the tests will be considered.
- 4. Practicals:** Minimum 1 Practical assessment shall be conducted. Practical shall include weight age for logbook, journal and hospital training (if any). Average of all will be considered.

❖ **Note :**

- The number of internal assessment may exceed according to the guidance of the internal faculty.
- Retests: No retests on grounds of absence for any reason are permitted for internal evaluation.

**EXTERNAL EVALUATION:**

Theory and practical examination will be conducted as per format of the SIU. Minimum 75% attendance to both theory and practicals (separately) is a mandatory requirement to be eligible for external examination.

Details of Eligibility & Examination Rules published by SIU are available in the Faculty of Health and Biomedical Sciences Library. All students are advised to get acquainted thoroughly with these. Any amendments to this will be communicated to the students via IQAC meeting & notice board.

**EXAMINATION RULES & GUIDELINES:**

**SIU Grading Policy:**

At SIU, postgraduate programmes are conducted on semester pattern with four semesters over a period of two years.

It uses a system of grade points to judge the student's overall performance. The student is awarded letter grades O, A+, A, B+, B, C, P, F & AB for each course depending on the relative performance of the student in the class.

The class average will carry a grade of C+ and subsequent higher or lower grade will be as per table given below:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

- Relative Grading: The grading of students will be based on the relative performance of the students compared to the class.
- Continuous assessment, Term end examination and Practical (if any) will be separate heads of passing.
- Passing in a course means securing 40% of absolute marks in each of the heads.
- Separate grade points will be calculated for continuous and term end examinations and the weighted average of both will be the grade point for the course.
- Revaluation:** In case of revaluation, the scores obtained will be fitted as per original range of marks of the grades.
- Calculation of GPA for Semester and overall CGPA -**

The Grade point average for the semester will be calculated by taking the weighted average of the course grade points.

The weights will be defined as per the credit points they carry. Similarly the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credit for the semester will act as the weight.

The formula is as below:

$$\text{CGPA} = \{(\text{GPA of Sem I}) (\text{Credit Points of Sem I}) + (\text{GPA of Sem II}) (\text{Credit Points of Sem II}) + (\text{GPA of Sem III}) (\text{Credit Points of Sem III}) + (\text{GPA of Sem IV}) (\text{Credit Points of Sem IV})\} / \{\text{Total Credit Points}\}$$

**EVALUATION POLICY:** Annexure A

The evaluation will have both internal & external components. The internal component will be continuous through out the semester & external component will be conducted by the university at the end of the semester. A student would be required to pass in each head (internal and external) independently. Students would be assessed according to the Cumulative Grade Point Average (CGPA) system. Students would be awarded the Grade Point Average where grades would be awarded based on the class average. A student would be required to perform consistently well.

The Medical Technology programme will have a total of 150 credits in 3 years. Each credit is defined as 15 hours of teaching (Lecture or Lecture demonstration) or 30 hours of supervised practical. Each credit is assessed for 25 Marks. For all external courses internal assessment will be of 40% and external assessment will be of 60%. Practical will be 100% external. Internal courses will be evaluated 100% internally by the institute.

**STANDARD OF PASSING:**

The assessment of the student for each examination is done, based on relative performance. Maximum Grade Point (GP) is 10 corresponding to O (Outstanding). For all courses, a student is required to pass both internal and external examination separately with a minimum Grade Point of 4 corresponding to Grade P. Students securing less than 40% absolute marks in each head of passing will be declared FAIL. The University awards a degree to the student who has achieved a minimum CGPA of 4 out of maximum of 10 CGPA for the program.

**BACKLOG:**

Separate backlog exams will be held for internal & external components as per Schedule intimated from time to time

**ATKT RULES:**

A student of 1st year (Semester I & II) will be allowed to proceed to the 2nd year irrespective of backlogs of the first year. However a student will be permitted to take semester III examination only if a student has cleared semester I and semester IV examination, only if the student has cleared semester I & II.

ATKT rules of SIU will be followed.

**GRACE MARKS:** In the CGPA system there is no provision for grace marks.

**RETESTS:** No retests on grounds of absence for any reason are permitted for internal /external evaluation.

**RULES FOR REVALUATION:**

Candidates appearing at the University examinations are eligible to apply for revaluation of his/her answer books of the theory paper/s with the following conditions.

A candidate may apply for revaluation in any number of theory courses per semester in which he/she has appeared at the said university examination.

The revaluation includes the process of verification. If on verification of marks, it is found that the marks originally shown in the mark list issued to a candidate have changed as a result of verification, the changed marks shall be considered as original marks.

The revaluation of the answer-books shall not be permitted in respect of scripts of Practical Examination/ Term Works/ Internal Assessment/ Seasonal Marks/ Dissertation/ Project work/ MCQ (Multiple Choice Question in practical examination) and Viva – Voce etc.

A candidate shall submit an application only in the prescribed form to the Controller of Examination SIU, along with the fee as mentioned in exam rules within 2 weeks from the date of declaration of the University result, through the Director of the Institute.

A candidate applying for revaluation should note that the result of the revaluation of his/her answer book of the theory paper/s shall be binding on him/her and that he/she shall accept the revised marks to his/her theory paper/s after revaluation.

## **RESULTS & CONVOCATION**

### **RESULTS:**

Prior to external examination, students will be informed year round performance of internal assessments. Students are required to verify the marks obtained. **CODE OF CONDUCT**

**SYMBIOSIS INTERNATIONAL UNIVERSITY**

**Article 1: PREAMBLE**

The student code of conduct [Code] is established to foster and protect the core missions of the Symbiosis International University, Pune, to foster the scholarly and civic development of the University's students in a safe and secure learning environment, and to protect the people, properties and processes that support the University and its missions. However, the establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of these objectives in an environment that is both safe and free of invidious disruption. Rules and regulations are necessary to mark the boundaries of this needed order.

**Article 2: APPLICABILITY**

The Code is applicable to all students, which includes all persons taking programmes at various constituent institutes of the University, either fulltime or part-time, pursuing undergraduate, graduate, professional studies. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular semester or term, but have a continuing relationship with the University, or who have been notified of their acceptance for admission are considered as “students”. The Code applies to all locations of the University.

**Article 3: JURISDICTION**

The Code applies to the on-campus conduct of all students at all the location / campus of the University.

The code also applies to the off-campus conduct of students in direct connection with:

- A. Academic course requirements or any credit-bearing experiences, such as internships, field trips, study abroad / student exchange;
- B. Any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment;
- C. Any activity sponsored, conducted, or authorized by the university or by registered student organizations;
- D. Any activity that causes substantial destruction of property belonging to the university or members of the university community or causes serious harm to the health or safety of members of the university community; or
- E. Any activity in which a police report has been filed, a summons or indictment has been issued, or an arrest has occurred for any act or omission.

Students continue to be subject to the laws of the land while at the university, and violations of those laws may also constitute violations of the code. In such instances, the university may proceed with university disciplinary action under the code independently of any criminal proceeding involving the same conduct and may impose sanctions for violation of the code even if such criminal proceeding is not yet resolved.

#### **Article 4: RESPONSIBILITIES OF STUDENTS**

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and, as students, they are responsible to the academic community of the University.

Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and to respect the rights, privileges, and property of other members of the academic community and the Society. They should refrain from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons.

As a citizen of State, a student should not discriminate on the basis of race, color, creed, age, religion, gender, national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status. They should at all times conduct themselves in a manner, which is not prejudicial to any law of the land. Their conduct should aim to achieve the meaning, mandate and manifestation as enshrined in the Constitution of India.

#### **Article 5: DISCIPLINARY MISCONDUCT**

Any student found to have committed or to have attempted to commit the following misconduct is subject to appropriate disciplinary action under this Code. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. #### RECREATION & WELLNESS CENTRE (RWC):

Recreation & Wellness Centres play important role in Fostering a Wellness Mindset in the minds & hearts of the Staff and students of Symbiosis. Recreational activities provide the opportunity to develop healthier, more productive lifestyles that will carry on long after graduation. These same opportunities are available to staff and faculty, and have the potential to improve the health and wellbeing of employees, reduce sick time, and increase productivity.

Besides providing exercise and social interaction, participation in recreational activities provides the type of student involvement that is beneficial to the educational outcome and overall campus experience.

Studies have also shown that student involvement reduces stress, helps build character and community, improves management and leadership skills, enhances diversity, and improves overall happiness.
